

Contributions for Lab 06533 Group 04 (TBDINNOVATOR)

Name	Contribution	Explanation
Grindstaff, Andrew andgrind	Fully contributing	Andrew has always been reliable and he contributes his fair share. He's doing pretty well for a team member, but since we picked him as group leader, I wish he would have a little more initiative and communicate more.
Mcneill, Charlotte camcneil	Fully contributing	Charlotte has also done her part and more. She's really good at picking up slack when there is any.
Udawatte, Ana* audawatt	Fully contributing	I think I'm doing fine and working well with the group.
Yazzie, Zack zbyazzie	Partially contributing	Zack doesn't do as much as the rest of us.
